Kristol,

I didn't hear back from you so we already submitted our statement regarding the ENE. I emailed you about this last Thursday and again on Tuesday. It looks like your email got caught in my spam filter so I did not get it until just now. Either way, I am not going to wait until the last minute to get a response to a Federal Court order on file.

Obviously, we will oppose your motion to compel arbitration on several grounds. Even if it is upheld, the agreement requires mediation, which I believe an ENE is the best forum.

I have had a lot of success with Judge Koppe in the past in ENEs and I think she would be excellent for this case.

Here are my thoughts: The case should be compelled to arbitration based upon the arbitration provision. However, the arbitration provision also requires mediation first,

which I anticipate I will be contacting you about this week.
